

Finders Tuition Credit

Word of mouth has consistently proven to be the best marketing tool for our school. If a current family feels blessed to be a part of our school and if they encourage a new student to join our program, we would like to say thank you. If a new family comes to us based on the recommendation of a current school family and if the new student completes the full academic year, the current family will receive a \$1,000 tuition credit for the following school year.

The discount will be applied according to the payment method chosen the following year. If the parent or guardian chooses a lump sum payment plan, they will receive the \$1,000 discount immediately. If they have chosen the 10 month plan, they will receive the \$100 discount each month. If the 12 month payment option is selected, they will receive an \$83 discount each month. Multiple discounts can be earned. For example, if a current family recommends three new students and if all three complete the current academic school year, the current family would receive a three thousand dollar discount off tuition for the following year. Mid-year registrations and Early Learning Center three day & half day options will be prorated.
